

HOME VISITOR WORKSHOP ALERT!

Understanding Young Children's Challenging Behavior: Why does it push our buttons?

Join **MARA BRENNER**, for a workshop for **HOME VISITORS** on what children's behavior means, how it can trigger a reaction in an adult, and ways to support parents/caregivers when their buttons are pushed.

Mara is a national educator, trainer, and consultant with 35+ years in the fields of psychology and early childhood education.

She was trained as a child psychotherapist and has worked in special education, early intervention, and therapeutic preschools.

Offered on two dates to fit your schedule.

Monday, November 4
OR
Tuesday, November 12
12:00-1:30pm

- Workshop is via Zoom
- Receive a certificate of completion
- No cost for workshop
- **REGISTRATION IS REQUIRED**
